

Discovery Reports

**The Easiest Way to Create
Understanding in the Classroom**

What is a Discovery Report?

- A customized personality report
- Based on an online assessment
- Extensive feedback
- Practical guidance

Your Main Tool For:

- Understanding students behavior
- Creating a positive learning environment
- Lowering conflict and stress
- Better results with students

Our Flavor / Approach

- **Positive & encouraging**
- **Address possible areas for growth constructively**
- **Give practical solutions**
- **Provide bonus resources**

Our Enhanced DISC Model

- DISC is easy to understand using 4 main personality styles
- Our enhanced model identifies 41 specific personality blends
- Feedback based on the levels of all four traits - not just the single highest trait.
- Validation studies including our own consistently support DISC accuracy.

Robert A. Rohm, Ph.D.

Our Content & Technology

- Extensive content gleaned from 20 years of work by Robert A. Rohm, Ph.D.
- Content contributed and cross reviewed by staff members of varied personality styles.
- Content stored in a custom database
- All technology developed and maintained in-house.

Robert A. Rohm, Ph.D.
